

## JOB ANNOUNCEMENT

### CREP Technician

Opening Date: June 10, 2021

Closing Date: Open until filled

Douglas Soil & Water Conservation District (DSWCD) is accepting applications for a CREP Technician in Douglas County Oregon. This is a full-time, grant funded position. The person filling the position will be housed in the USDA Service Center in Roseburg Oregon.

The Conservation Reserve Enhancement Program (CREP) Technician position exists to provide planning and technical assistance to implement the CREP Program in partnership with the USDA Natural Resources Conservation Service (NRCS), USDA Farm Service Agency (FSA) and the Oregon Department of Forestry throughout Douglas County.

#### JOB SKILLS, KNOWLEDGE, EDUCATION, EXPERIENCE AND ABILITIES

Requires a minimum of a bachelor's degree in a Natural Resources field, with a concentration in forestry, wildlife biology, ecology, agriculture, botany or related field. Two years of job experience related to the position's primary responsibilities may be substituted. See attached Job Description for position responsibilities.

The desired applicant will be proficient with a variety of computer software applications including ArcGIS, MS Word, MS Excel and MS Power Point and possess a working knowledge of GPS equipment and land survey techniques.

Field work may be taxing and in extreme temperatures. The CREP Technician will need to be a strong hiker and comfortable working in adverse environmental conditions to gain access to remote sites to complete field work efficiently. This position requires the ability to work efficiently and effectively with others within and outside the organization as well as independently, and be able to prioritize a heavy and varied workload. Effective organizational, written and verbal skills are a must.

Work hours are 8 am-5:00 pm, M-F

The position requires possession of a valid driver's license.

A Mandatory security background check, with fingerprinting, will be required of the selected applicant.
